EDITORS
MOHAMMAD SHAHEER
GEETA WAHI DUA
ADIT PAL

"...an unusual, abstract and creative way of doing a book on nature and its various manifestations. On every page there is something to discover, learn and apply. I was exhilarated while going through the book..."

Balkrishna Doshi

"...makes a significant contribution towards exploring the man-nature relationship, which leads to the understanding of overall environment, where man can live happily as an integral part of the whole system..."

Ravindra Bhan

"...no other publication in the fields of architecture and landscape design has so clearly focused on the Indian context without losing its universal value..."

Neelkanth Chhaya

"...the book encourages to question the perception of landscape design, and also to address it in a holistic manner from micro to macro level. Certainly a useful reference book for every student of architecture and landscape..."

Sanjay Mohe
